Easy Fundraising

You can help us raise money for Lymm High's PTA while online shopping at no extra cost to yourselves. All you need to do is go to <https://www.easyfundraising.org.uk/> and select Lymm High School as your cause, school will then receive a percentage donation. Last year, we raised over £700 just by shopping! As always, thank you for your support.

Year 11 Study Leave

Please [click here](#) to read the letter sent home this week, which contains important information about Year 11's exam period, revision and study leave.

Sixth Form applicants

By now, all Year 11 students should have applied to either our Sixth Form, other colleges or apprenticeships to secure their post-16 destinations for September. For those students who have applied to our Sixth Form, offer letters were sent before half term. Students applying to other colleges should have received something similar from the college they have applied to. We encourage all students to have both a Plan A (their first choice) and a Plan B (a back-up choice) should results not go as expected in the Summer.

Please ensure that your child has considered their choices carefully. We have a careers advisor available in school who is able to offer additional support. Please contact Student Services if you wish your child to have an appointment.

Life Programme

Our next extended Life Programme is on **Thursday 2nd May**. Students will study the following topics.

- **Year 10** will look at issues around gangs and role models in our lives and communities.
- **Year 11** will focus on careers. They will explore alternative paths and Plan B situations as well as GCSE exam preparation.

Personal Development Update

Our social responsibility theme for this half term is **Resilience**. It is really important to us that our students have the necessary skills to cope positively when faced with challenging and difficult situations which they may face. This is even more crucial for our KS4 and KS5 students who are currently completing examinations across their subjects. Whilst this can feel overwhelming and daunting, we want our students to feel confident that they can overcome any challenge life may bring. Through our assembly schedule and Form time programme this half term, we will be reminding them of how these skills can be developed and applied.

Here's what's going on over the next 2 weeks. What will your child get involved in?
