

LYMM SIXTH FORM

5 July 2024

Dear Parents/Carers

As we approach the end of the summer term, I wanted to write to you to confirm the arrangements for A' level results day this summer which will take place on Thursday 15th August. Students can collect their results from the Lower Hexagon (entering school via the languages yard only) from 8am until 10am. After this time, students will only be able access their results by emailing examsresults@lymmhigh.org.uk. Only students will be allowed into the school building, so if you are accompanying your child to school, we kindly request you stay in your vehicles or on the languages yard.

The UCAS Hub will go live at 8:15am at which point students will receive confirmation of the outcome of their UCAS applications. Should students not meet the entry requirements for their firm or insurance choices, myself and other members of the sixth form team will be on hand to support with the clearing process in the Upper Hexagon. Our careers advisor and exams officer will also be available. Should students need to seek any support, parents will be able to join them to do so. Students have already had an assembly explaining the format of the day. A parent Information, Advice and Guidance evening will take place online on Wednesday 10th July at 5.30pm to inform parents of what will happen on results day. The online link for this has already been sent out on Class Charts and a reminder will be sent out again on the morning of 10th July.

If students know they are not going to collect their results in person, they must email examsresults@lymmhigh.org.uk in advance, to arrange for them to be sent via email.

Before results day, we highly recommend you read the [following guidance](#) from UCAS. Students can search vacancies in Clearing from 5th July and we have advised all students to do so, so they have a back-up plan, should results not go as expected. Clearing vacancies can be found on the UCAS Website, along with some [helpful guidance](#) about how this process works. It is also worth checking your child can access their emails, both their school and personal accounts, as on results day they will receive important updates from UCAS and their chosen universities. If they are having any problems accessing their school emails, please contact ithelpdesk@lymmhigh.org.uk as soon as possible.

Looking further ahead, please be advised that the A' Level and BTEC certificates are usually issued by the exam boards around November / December time, at which point we will invite students to come to school to collect them. We anticipate this will be on the afternoon of Wednesday 18th December at 2.30 – 3.30pm, however we will confirm this with more information on an invitation postcard sent to students' current home addresses. Please therefore advise us if the family home address does change.

It has been an absolute pleasure to work with your child in the sixth form and we wish them all the very best for their futures; we really will miss them. We hope you have a wonderful summer.

Yours sincerely

H JENNINGS (Mrs)

Head of Sixth Form, Assistant Headteacher

Headteacher: Mr Gwyn Williams
