

# THE SIXTH

9–13 September 2024

THIS WEEK...

WELCOME BACK!

We wish all students a very warm welcome back to Sixth Form.

We are really looking forward to working with you all over the coming year.

## IAG EVENINGS

Parent Information, Advice and Guidance evenings will be held on **Thursday 19th September**: Year 12 at 6pm and Year 13 at 7pm. Further details will be sent soon.

## YEAR 12 PHOTOGRAPHS

Students have been emailed an appointment for their photographs on **Tuesday 10th September**.

## SEND HELPERS NEEDED

The SEND team are looking for Sixth Form helpers for the quiet rooms we run at lunchtime in main school: Lego Club, the Arts and Crafts room and the Chess/Games Club. These run every day from 1.30–2pm. We want energy and enthusiasm, and also ideas for how to engage these students. This could be ideal for DofE and UCAS!

See Mrs Hughes on Reception if interested.

## LIFE PROGRAMME

The next Life Programme session will take place on **Tuesday 10th September**.

Year 12 will focus on sexual health and relationships. Year 13 will have a talk on 'Putting in the hours'.

## ENRICHMENT FAIR

Our Enrichment fair will take place during the week commencing **Monday 23rd September**.

Further details will follow soon!

## KEY DATES CALENDAR

Please [click here](#) to view the Assessment calendar, which includes key dates for the year ahead.

## ILC CLOSURES

The ILC will be closed on **Monday 9th and Tuesday 10th September**.

FRIDAY	Future Fridays – How to be aspirational.	Future Fridays – UCAS/ Apprenticeships	

# NEWS

## Class of 2024: best ever results....again!

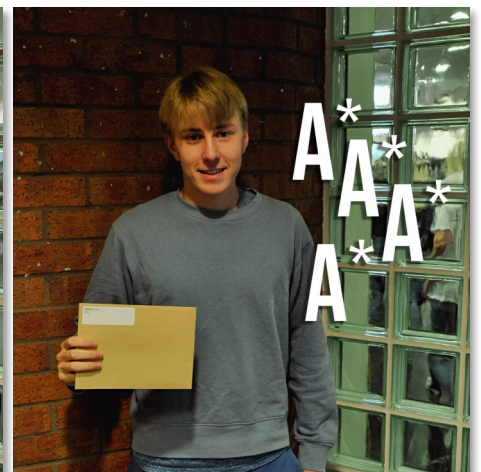

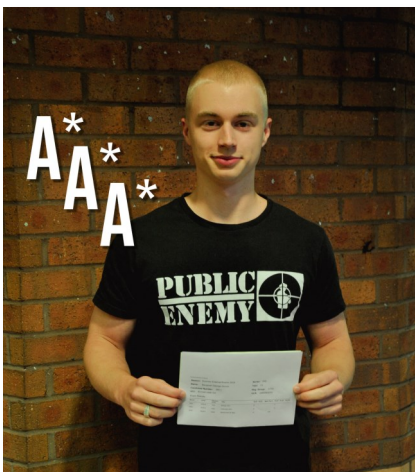

We are delighted to say that the Year 13 students' A' Level results in the summer have surpassed the record set by last year's cohort, to take the mantle of our best ever Post-16 results!

Once again nearly all our Sixth Form students have already secured places at their preferred universities. This includes very high numbers heading off to the most prestigious institutions, including Oxbridge, and onto the most competitive courses, such as medicine.

Mr Williams, said: "I'm extremely proud of all of our Year 13 students and the fantastic results they have achieved. Having faced disruption to a significant proportion of their school years due to the pandemic it is remarkable that they have gone on to achieve Lymm High School's best ever Post-16 results. It is a fantastic testament to their hard work, determination and resilience."

"These results underline the strength of our Sixth Form, which is built on an extremely committed, supportive and hard working Sixth Form team of teachers and support staff. I am delighted for the students and would also like to thank all the staff as well as parents and carers for the support they give to our fantastic students."

# NEWS

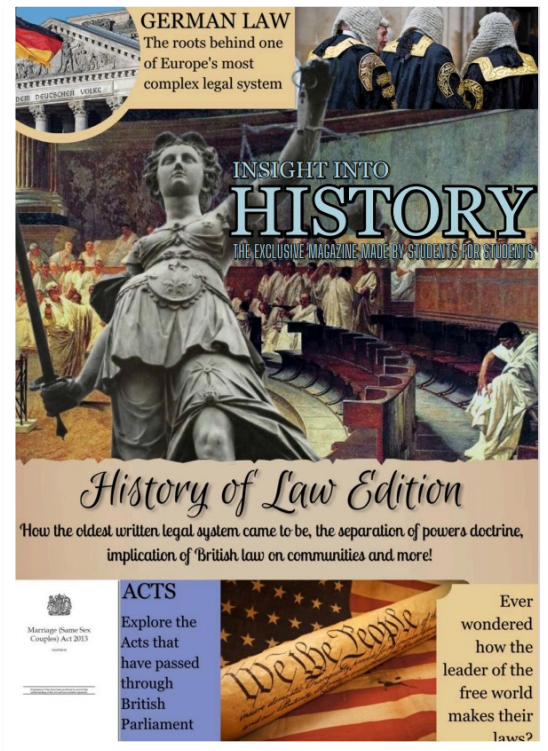

## History magazine

The latest issue of our student-led *Insight into History* magazine is now available. This edition focuses on the history of Law, and investigates the foundation and development of different legal systems across the world.

Year 13 Editor-in-Chief, Kat Vyas, said: “We were initially inspired to research this theme because of the 60-year anniversary of the Civil Rights Bill being celebrated this July”.

# SPORTS

# UPDATE

## YEAR 12 & 13 NETBALL

Matches are held every **Wednesday** in the North West College League. Training takes place on **Tuesdays** after school (3.15–4.30pm) in full kit.

The first match is in the National Cup vs Sandbach School on **Wednesday 18th September** (home), 2pm start.

Matches will all be on SOCs.

Training after school will occasionally need to be cancelled if that age group have matches that day. This will be communicated in advance.

**GRESHAM**  
COLLEGE

## Gresham College online lectures

Each year, Gresham College provides over 100 free academic lectures by international experts and leading academics suitable for A' Level students. Below is a preview of the upcoming lectures this autumn term. All are free to watch live online. If any students are interested in any of the lectures, please let Form Tutors and/or the Sixth Form team know.

### **Mathematical Journeys into Fictional Worlds**

*Professor Sarah Hart, Gresham Emeritus Professor of Geometry*

*Wednesday 18th September, 2–3pm*

Literature is full of strange realms where normality is turned on its head. This lecture will look at how mathematical ideas of size and dimension have been explored in fiction. We'll discuss what life would be like in Lilliput, and whether the giant spiders of Hogwarts' Forbidden Forest could really exist.

### **The Evolution of Immunity**

*Professor Robin May, Gresham Professor of Physics*

*Wednesday 2nd October, 2–3pm*

This lecture will lift the lid on some surprising evolutionary steps that created the human immune system. We will explore some astonishing abilities of human immune cells and learn why you may owe your existence to an ancient romantic liaison between your human ancestors and the Neanderthals.

# OPPORTUNITIES

**GRESHAM**  
COLLEGE

## **Asymmetric Information – What Is It? And How Does It Affect My Everyday Choices?**

*Professor Raghavendra Rau, Gresham Professor of Business*

*Wednesday 9th October, 2–3pm*

In this lecture, we will discover how hidden information impacts your daily decisions – and how it affects every transaction you make. We'll explore how information imbalances influence markets and personal finances. Whether you're managing your allowance, planning for university, or preparing for financial independence, this lecture will provide valuable tools for making smarter financial choices.

## **The Longevity Paradox: Can We Have It All?**

*Dr Ian Mudway, Former Gresham Visiting Professor of Environmental Health*

*Wednesday 20th November, 2–3pm*

Our society is increasingly focused on extending lifespan. But is simply living longer enough, or even desirable? This presentation will delve into the complex relationship between longevity and quality of life. We will explore the concept of a 'healthy lifespan' and discuss the factors that contribute to aging well.

## **The Future of Health in the UK**

*Sir Chris Whitty, Chief Medical Officer /Gresham Emeritus Professor of Physic*

*Wednesday 4th December, 2–3pm*

This talk will cover recent trends in health in the UK, and what changes in health will look like over the lifetime of current students. It will consider the prevention and treatment of major diseases.

## Dental Nurse Apprenticeship

*Lymm*

Flourish at Lymm Dental are looking to recruit a trainee dental nurse to join its team.

The position offers a unique blend of practical experience and academic development.

The successful candidate will work at the Lymm practice, gaining hands-on experience in a friendly and supportive environment. Additionally, they will attend college 1 day per week, where they will complete a Level 3 Diploma in Dental Nursing apprenticeship programme.

The apprenticeship will provide a comprehensive introduction to dental nursing, covering essential skills and knowledge required for a successful career in this field.

“Our goal is to nurture and develop an individual who is eager to learn and grow within our practice”, says ex-Lymm High student and practice owner Emily Chapman. “We believe this opportunity would be of great interest to students who are looking for a career in healthcare and are keen to start their journey with a structured and supportive programme.”

For more information, or to apply, students can email [emily.chapman8@nhs.net](mailto:emily.chapman8@nhs.net) with a CV.

# CAREERS

Our [careers website](#) includes a [calendar of events](#), [labour market information](#) and a link to [Unifrog](#).
