

Unifrog – The Complete Destinations Platform

Dear Parent / Guardian,

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we are now using Unifrog; an award-winning, online careers platform. All students in school from Y7 to Y13 now have access to this excellent website.

The Unifrog platform is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own personal account that provides a wide range of information related to their interests and aspirations. Key features of the platform include:

- Exploring Pathways – personality quizzes, career and subject profiles, MOOCs and webinars
- Recording – self-reflection about extracurricular activities and key employability skills
- Opportunities – search tools showing live vacancies/courses/placements for apprenticeships, universities (in the UK and abroad), FE, virtual work experience and much more
- Applications – tools to help students build applications for a range of pathways (e.g., CVs, Personal Statements, Common App Essays)

Student Access

All students have been sent a welcome email recently, where they click on a link and create a password to begin using the platform. If they have forgotten their password, they should enter their school email and click 'forgot password'. A password reset link will be sent to their school email address.

Parent Access

We would encourage you to use the platform with your child so you can support them. You can login as a parent so that you can use Unifrog as if you were a student yourself, allowing you to support your child throughout the process. You can sign up by visiting www.unifrog.org/code and using the sign-up code
