

# THE SIXTH

6–10 January 2025

THIS WEEK...

WELCOME  
BACK!

As we step into the second term, we're excited to see you continue building on the strong foundation you've already laid. This is a key moment in your journey: an opportunity to push further, aim higher, and refine your goals as you prepare for the exciting challenges ahead.

Remember, your hard work and determination now will pave the way for your future successes. Let's approach this term with focus, enthusiasm, and a commitment to excellence.

We're here to support you every step of the way.

## UCAS DEADLINE

The UCAS deadline is **Wednesday 29th January 2025**. Students wishing to apply **MUST** Have submitted their applications to school by **Tuesday 7th January** to guarantee we can send these in time.

## FESTIVE FOOD

Well done to the Year 13 BTEC Hospitality students for leading the Christmas lunch last term.

The students prepared a 3-course meal in the school's Chapters restaurant for parents and staff.

## 3D Design exhibition

On **Monday 16th December**, an in-school exhibition was held to showcase all the amazing work produced by our Year 12 students in 3D Design.

All students were present to talk about their work and chat about what they had created and what they have learnt during the first term.

“It was lovely for staff to show their support and to see the efforts of the students’ hard work over the last term”, said Miss Bletsoe.

We can’t wait to see what they will create in the terms ahead!

## Happy Retirement Mrs Littler

### We will miss you!

After over 20 incredible years at our school, Mrs. Littler has retired. For the past several years, she's been a key part of the Sixth Form as our Student Support Officer, always there to listen, encourage, and guide.

Students past and present have shared amazing messages about the difference she's made—from boosting their confidence to helping them succeed when things felt tough. Staff have also praised her kindness, dedication, and the way she always put students first.

Mrs. Littler's impact has been huge, and her legacy will live on in the achievements of those she's supported. We wish her a happy, well-deserved retirement and hope she knows just how much she'll be missed. Thank you, Mrs Littler!

## Scopri l'Italiano: Italian Taster Day

*Wednesday 19th February 2025*

The Faculty of Modern and Medieval Languages and Linguistics (MMLL) Italian Studies Section and Corpus Christi College are excited to host an in-person taster day for those interested in studying Italian at degree level. Students do not need to be currently studying Italian at A' Level, and nominations are welcomed from students who are considering studying Italian as an *ab initio* option.

The day will give students an introduction to what studying Italian at Cambridge is like with workshops led by academics from the faculty, plus a chance to meet current undergraduates who are studying Italian (either as part of their MMLL or History & Modern Languages degree). Workshops will cover language, visual culture, film, and medieval and modern history.

The event is free to attend and lunch will be provided. There are 30 places available and students from any UK school can attend. The Programme is:

- 10.30 Arrival and registration
- 10.45 Why study Italian? Modern Languages at Cambridge
- 11.30 Italian culture session 1 (Medieval oriented)
- 12.05 Italian culture session 2 (Visual Art oriented)
- 12.40 Lunch and tour of Corpus Christi College
- 13.40 Language session
- 14.15 Italian culture session 3 (Modern culture with History)
- 14.50 Break
- 15.10 Italian culture session 4 (Contemporary culture with Cinema)
- 15.45 Application process and Q&A with current students
- 16.40 Closing words and depart

## Virtual NHS work experience

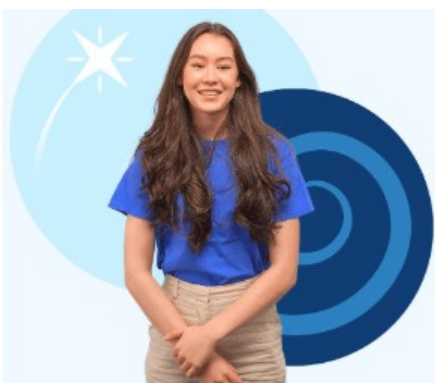

The free National NHS Virtual Work Experience programme enables students to gain a well-rounded perspective of working within the NHS.

Developed in collaboration with Birmingham Universities Hospitals Trust, this Virtual Work Experience provides a strong foundation of knowledge for students who are preparing to undertake future in-person placements.

The 6-month medical e-learning work experience programme focuses on one specialty each month, allowing students to set their own pace of learning. From structured teaching to direct interaction with doctors and healthcare professionals, the programme ensures students not only observe procedures but also gain a broader understanding of roles within the medical field.

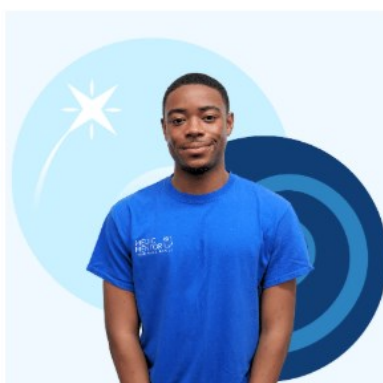

Covering everything from confidentiality and ethics workshops delivered by the GMC to clinical procedures, this virtual work experience provides a crucial overview, thereby enhancing students' UCAS applications..
