

NCS is offering three new experiences for Year 11 students. The programmes are in:

- Public services
- Arts, Drama and Theatrical programme
- Animal management

NCS offers young people in Year 11 an incredible opportunity to develop skills and take on new challenges that will set them up for adult life. It offers young people a chance to:

- Meet new people
- Develop skills that will support their future
- Take on new challenges
- Develop the skills and confidence to take on their next steps
- Generate experience for their university application, job/apprenticeship interview or CV and more!

### **Public Service version of NCS**

The programme will run during the February half term, (17–21st February 2025). The programme involves going to a fire station and going through some of their fitness tests, one afternoon seeing a mock court and police cells, and so much more. The programme also includes life skills and employability skills that will look great for CVs and help young people step out of their comfort zones.

The programme will be during their February half term, dates are 17th to the 21st of February 2025.

## **Animal Management NCS**

This programme will take place in February half term (17–21st February 2025). Young people will work alongside Eccles College to gain hands-on experience with the Head Zoo Keeper and work with animals such as capibaras, wallabies, small monkeys, ferrets, reptiles and so much more. Young people will learn life skills and develop a knowledge around how to look after these animals and prepare the food for them and so much more. At present as the programme is not confirmed we are generating interest on the programme. Times will be roughly 9am till 3pm.
