Lymm High School uniform

We take great pride in our uniform and appearance and expect all students to wear their full uniform correctly at all times.

We recommend that all Lymm High branded items of uniform and school skirts are purchased direct from Touchline (see box). The specific requirements are detailed over the next few pages.

As well as offering 'bundle deals' for Year 7 starters, the quality of the Touchline merchandise is very good. In addition, the company has dedicated Lymm High evenings aimed at our parents only, and Touchline staff attend our parent Transition evenings to answer any queries and showcase the uniform.

Lymm High School ties can also be bought from the School Finance & MIS Office.

Any training top needs to be a quarter-zip top and any rugby shirt must be specifically designed for playing rugby. If you are in any doubt as to whether an item is acceptable, please check with school before buying.

In winter, students are allowed to wear layers underneath their PE kit (with the exception of hoodies and coats). Students can also wear hats and gloves. If students are wearing Lymm High School branded training tops, the layers can be generic items. If students are wearing the Lymm PE shirt, we ask for layers to be white or blue to match the PE kit colours.

Swimming

If your child needs to wear goggles, please provide a letter stating that you, as parent/carer, take full responsibility for their safety concerning the wearing of goggles during lessons. Any student who needs to be excused from swimming must always bring normal PE kit.

Please note: *It is expected that all students will be involved in PE and staff can make necessary reasonable adjustments. However, on the rare occasion your child may need to be excused from PE, please provide a letter which states the reason why they are not taking part in the activity. It must also include a contact telephone number, the date and a parent/carer's signature. Letters will be monitored.*

Excused students must still wear Lymm High School PE kit and will undertake other roles where possible (e.g., leader or official).

Water Bottles

Please ensure that your child takes responsibility for bringing their own water bottle. We strongly recommend that, along with all PE kit, these are clearly labelled with their name.
