

Changes to bus services 40 and 42

Before we head into the summer holidays, we'd like to let parents and pupils know that there will be some changes from September 2026 to bus services 40 and 42.

Service 42 that had previously operated until 2025/26 has seen insufficient passengers, and unfortunately, is to be withdrawn after July 2026.

As a partial replacement, service 40 will be extended to start at Grappenhall Heys and run via Appleton Thorn along the service 42 route. Stops between Appleton Thorn and Massey Brook Lane will be unserved. Passengers using the Thorne Inn and Crofton Close stops in Appleton Thorn can board at Appleton Hall. Please see the map below for further information.

We appreciate your understanding and cooperation as we adapt to these changes. Please plan your journeys accordingly to ensure a smooth start to the new term in September. Details of the changes will shortly be available on the Warrington's Own Buses website and the Touch & Go app.
