

9 July 2026

Dear Parents/Carers,

As we approach the end of the summer term, we wanted to write to you to confirm the arrangements for A Level and GCSE Results Days this summer.

A-Level Results Day

This will take place on **Thursday 13th August 2026**. Year 13 students can collect their results from the Lower Hex between 8am and 10am, entering school via the languages yard only. After this time, students will only be able access their results by emailing exams@lymmhigh.org.uk. The Leisure car park and the Sixth Form Car Park will be open to use. Only students will be allowed into the school building, so if you are accompanying your child to school, we kindly request you stay in your vehicles or on the languages yard. Any Year 12 students due to collect results can do so from the Lower Hex between 10am and 10.30am.

The UCAS Hub will go live at 8:15am at which point students will receive confirmation of the outcome of their UCAS applications. Should students not meet the entry requirements for their firm or insurance choices, Mrs Neesam and other members of the Sixth Form team will be on hand to support with the clearing process in the Upper Hex. Our careers advisor and exams officer will also be available in the Lower Hex. Should students need to seek any support, parents will be able to join them inside the school building to do so. Students have already had an assembly explaining the format of the day. A parent Information, Advice and Guidance evening took place on online on Monday 6th July, if you were unable to attend, please access the link on Class Charts for the recording, or [click here](#) to view the presentation slides.

If students know in advance that they are **not** going to collect their results in person, they must email exams@lymmhigh.org.uk, to arrange for them to be sent via email. Please note that it will not be possible to send them at 8am as the exams team will be busy with students in school, however, they will endeavour to email them to your school email address by midday.

Before results day, we highly recommend you read the following guidance from [UCAS - Clearing](#). Students can search vacancies in Clearing from 2nd July and we have advised all students to do so, so they have a back-up plan, should results not go as expected. Clearing vacancies can be found on the UCAS Website, along with some helpful guidance about how this process works. It is also worth checking your child can access their emails, both their school and personal accounts, as on results day they will receive important updates from UCAS and their chosen universities. If they are having any problems accessing their school emails, please contact ithelpdesk@lymmhigh.org.uk as soon as possible.

GCSE Results Day

This will take place on **Thursday 20th August 2026**. Year 11 students can collect their results from the Sports Hall between 9am and 11am. Any Year 10, 12 or 13 students due to collect GCSE results/re-sit results can collect their results in the Sports Hall between 10am and 11am. If students have any queries regarding their results, we will have Mrs Monks, our Examinations Officer, based at the back of the Sports Hall. Parents are welcome to park on the front Leisure Centre car park or in the front staff carpark, but we do ask for parents accompanying students to kindly remain in their vehicles or wait on the Languages Yard/front of Leisure to support with the smooth entry into the Sports Hall. We will be operating a one-way system to support the flow of students and ask that students enter the Sports Hall via the back steps/doors (where they entered to do their exams) and then leave through leisure reception.

Headteacher: Mr Gwyn Williams

Lymm High School, Oughtrington Lane, Lymm, WA13 0RB

On GCSE Results Day, **ALL STUDENTS MUST either enrol at Sixth Form on Applicaa OR complete an online form to notify us where they will study in September and this must be done by 12 noon that day.** Links to both forms will be sent to students via school email on the morning of results day and in addition, [linked QR codes](#) will also be included in their results envelope. Your support in ensuring that one of these online forms are completed by 12 noon would be much appreciated. Guidance for enrolling at Sixth Form on Applicaa can be found by [clicking here](#). **The Sixth Form team will be on hand to support students in the library**, should there be any queries regarding their chosen subjects. Once students have requested enrolment, they will receive confirmation of their enrolment by Monday 24th August. Please can all student check **now** that they have access to their Applicaa accounts and/or school email addresses. If they have any problems, please email ithelpdesk@lymmhigh.org.uk for email login support or 6thformadmissions@lymmhigh.org.uk for Applicaa login support.

There will be a number of staff present on the day, including our careers advisor and members of the pastoral team, who will be on hand should students require additional support. Our careers advisor will be based in the library and is available to speak with any students who are still unsure of their next steps and would appreciate further advice or guidance. Enclosed within results envelopes will be all of the necessary information regarding re-marks, script requests and some information regarding well-being support for your child. However, please do speak to a member of staff if you have any worries or queries on the day.

If any students are not going to be able collect their results in person, they must email exams@lymmhigh.org.uk to arrange for their results to be sent via school email. Please ensure that these requests have been received **no later than Friday 17th July**.

Whilst there is a lot of important information contained within this letter, we do hope that it is useful in preparing for examination results days. Rest assured, we will be communicating specific information and reminders via Class Charts in the lead up to the results days, as well as being present in school on the days themselves.

It has been a pleasure working with our Year 11 and Year 13 students this year. They have worked incredibly hard, and we are so proud of their resilience, determination and overall positive conduct.

Wishing all our families a restful and safe summer holiday.

Yours sincerely

Mrs E Feast
Senior Deputy Headteacher

Mrs N Neesam
Assistant Headteacher: Head of Sixth Form
