

PE Curriculum Map 2026–2027

We aim to **inspire** all students and for each to fulfil their potential. We aim to deliver **high-quality teaching** and learning opportunities that inspire all students to take responsibility in **leading healthy, active lifestyles** whilst also ensuring students are supported to **excel in a variety of sports**. Through PE, we develop the children’s **knowledge, skills and understanding**. It is our intent to teach students **life skills** that will positively impact on their future. We want to teach students how to work independently and as part of a team to embed life-long values increasing their employability.
